Dear Ladies and Gentlemen:

As required by ORC §1901.14, the Annual Report for 2013 is hereby submitted by the Rocky River Municipal Court. The contents of this report are based on data assembled and tabulated by Clerk of Court Deborah F. Comery and Court Staff. The following data is noteworthy for the year 2013:

1. There were 16,532 cases filed in criminal/traffic consisting of 12,998 traffic, 517 OVI/BAC, 2,395 misdemeanors, 244 felonies and 378 parking violations. Criminal/traffic case filings decreased by 8,643 cases from 2012. This decrease was due, in large part, to the creation of the North Olmsted Mayor's Court that began operation in January, 2013.
2. There were 2,188 cases filed in civil and small claims consisting of 1,655 civil, 526 small claims and 7 rent escrow / trusteeship cases. The total civil case filings decreased by 563 cases from 2012. This decrease is consistent with similar decreases in civil case filings across the State's municipal courts.
3. The total amount of court costs disbursed to the City of Rocky River from all sources was \$2,704,475.48. Of these monies, \$1,790,037.50 was designated as the Court's operational revenue. \$221,108.36 was placed in the Computer Fund to operate and enhance the Court's computer system. \$412,198.40 was placed in the Special Projects Fund to continue to pay down the principal and interest debt of the Courthouse structure as well as expensing the salary and benefits of the Court's Magistrates. \$258,890.32 was placed in the Court's Probation Services Fund to assist in the operations of the Community Control Department. \$22,240.90 was placed in the Court's Indigent Drivers Alcohol Treatment (IDAT) Fund to cover indigent offenders' alcohol assessment and treatment.
4. A portion of the fine money collected in 2013 was placed in two funds established by the State of Ohio and governed by the Ohio Revised Code and are to be utilized by the Court in the monitoring and treatment of indigent drug and alcohol offenders. \$12,220.00 was placed in the IDAT Fund in addition to the cost contribution to the IDAT Fund shown above. \$20,605.50 was placed in the Court's Indigent Drivers Interlock and Alcohol Monitoring (IDIAM) Fund to cover the monitoring of indigent offenders.

The court experienced a 34% decrease in criminal / traffic cases and a 20% decrease in civil / small claims cases during 2013. The court has no control over the number of criminal / traffic or civil / small claims cases filed each year.

2013 saw the beginning of an email delivery system for all Court documents sent to prosecutors and attorneys. That court-wide effort reduced our postage expenses by \$10,685 over 2013, a reduction of 21%.

The Court has enhanced its video arraignment capabilities to include any video equipped facility within the State of Ohio and beyond. Since RRMC began video arraignments from the jurisdictional police departments, the need to transport a defendant has been eliminated. Safety and health benefits along with officer time and travel expenses to bring a defendant to Court continue to be realized.

Since 2003, the court's website, www.rrcourt.net, has become an integral part of the Court's public outreach. **eFiling**, **ePayments**, waiver information, public records access, weekly court dockets, local court rules, jury service information, probation information, and annual reports are among the many items found on our website. Our website continues to accept **ePayments** primarily for those defendants who are allowed to waive their traffic ticket or who choose to pay their fines and costs after their case has been adjudicated. Most of our court documents, both current and historical, continue to be imaged and are available for viewing on the website.

RRMC's initial **eFiling** pilot began in 2010 and continues to grow in usage and has proven very successful. We've received positive feedback from the participating attorneys' offices. In the Spring of 2014 we will be revamping our **eFiling** functionality with the introduction of a new and more powerful program. Among the upgrades are direct population of data fields within our case management system as well as online payments of civil filings through PayPal.

We continue utilizing the **eCertified** mail process with continued success. All service information from certified mailings, including recipient signatures, is downloaded automatically to the individual case docket. Visitors to a case file can track, in almost real time, the progress of all **eCertified** mail pieces.

The Clerk's Office continues to provide space for a deputy clerk from the Cuyahoga County Probate Court's Marriage License Bureau. One day a month, residents of Cuyahoga County may apply for a marriage license at Rocky River Municipal Court without having to travel to the downtown Court facility. After participating in this pilot program for a year now, we are one of the busier locations and have found this to be a successful cooperative effort.

A major change to the Rocky River Municipal Court (RRMC) began with the creation of the City of North Olmsted's Mayor's Court that opened for business in January 2013. After major staff reductions in anticipation of severely reduced funding along with changes in court operations to reduce costs, RRMC completed its 17th year without a deficit. An immense thank you to all court staff for their diligence to duty and keeping the services provided to all who come to this Court at the highest level of excellence.

Again, I want to thank the staff of the Clerk's Office for their amazing work and exceptional dedication during this trying year. I would also like to thank Administrative / Presiding Judge Donna Congeni Fitzsimmons and Judge Brian F. Hagan and their staffs for their help and guidance during the year. Grateful appreciation is also extended to Rocky River Mayor Pamela E. Bobst, Rocky River City Council, and all the Jurisdictional Police Officers and Officials of the Rocky River Court District for their assistance.

Respectfully submitted,

Deborah F. Comery
Clerk of Court
