Dear Ladies and Gentlemen:

As required by R.C. §1901.14(A)(4), the Annual Report for 2016 is hereby submitted by the Rocky River Municipal Court. The content of this report is based on data assembled and tabulated by Clerk of Court Deborah F. Comery. The following data is noteworthy for the year 2016:

1. There were 13,931 cases filed in criminal/traffic consisting of 9,944 traffic, 473 OVI/BAC, 2,533 criminal misdemeanors, 476 felonies and 505 parking violations. Criminal/traffic case filings increased by 926 cases from 2015.

There were 2,364 cases filed in civil and small claims consisting of 1,635 civil, 723 small claims, 5 rent escrow and 1 trusteeship. The total civil case filings increased by 238 cases from 2015.

The court experienced a 7% increase in criminal / traffic cases and an 11% increase in civil / small claims cases during 2016. The court has no control over the number of criminal / traffic or civil / small claims cases filed each year.

2. The total amount of court costs disbursed to the City of Rocky River from all sources was \$2,628,812.43. Of these monies, \$1,809,618.22 was designated for the Court's operational revenue. These funds were used against operational Court expenditures of \$1,745,338.98. \$210,751.30 was placed in the Computer Fund to maintain and enhance the Court's computer system, video arraignment equipment, telephone and internet services, and the courtroom audio recording system. \$296,801.01 was placed in the Special Projects Fund to continue to pay down the principal and interest debt of the Courthouse building as well as expensing the salary and benefits of a portion of the Court's Magistrates and maintaining the Court's security camera system and magnetometer. \$226,656.63 was placed in the Court's Probation Services Fund to assist in the overall operations of the Community Control Department. \$15,679.40 was placed in the Court's Indigent Drivers Alcohol Treatment (IDAT) Fund to help with indigent offenders' court ordered alcohol assessment and treatment.

RRMC completed its 20<sup>th</sup> consecutive year without a deficit. An immense thank you to all court staff for their diligence to duty and continuing efforts to keep the services provided to all who come to this Court at the highest level of excellence.

3. A portion of the fine money collected in 2016 was placed in two funds established by the State of Ohio and governed by the Ohio Revised Code and are to be utilized by the Court in the monitoring and treatment of indigent drug and alcohol offenders. \$34,584.15 was placed in the IDAT Fund in addition to the cost contribution to the IDAT Fund shown above. \$21,024.42 was placed in the Court's Indigent Drivers Interlock and Alcohol Monitoring (IDIAM) Fund to cover the monitoring of indigent offenders.

The Court continues to utilize its video arraignment capabilities to include any video equipped law enforcement facility within the State of Ohio and beyond. This process saves jurisdictional police departments' time and transportation expenses along with providing safety benefits to both public and staff within the Courthouse.

Since 2003, our website, [www.rrcourt.net](http://www.rrcourt.net), has become an integral part of the Court's public outreach. **eFiling**, **ePayments**, public records access, weekly court dockets, local court rules, jury service information, probation information, these Annual Reports and much more can be found on our website. We continue to accept **ePayments** primarily for those defendants who are allowed to waive their traffic ticket or who choose to pay their fines and costs after their case has been adjudicated. Most of our court documents, both current and historical, continue to be imaged and are available for viewing on the website.

RRMC unveiled its newly revamped **eFiling** system in June, 2014. This new software allows for complete control by the filer to submit **eDocuments** for filing as well as the ability to submit their filing fee payment online. Beginning January 1, 2015, all attorneys are now utilizing our **eFiling** functionality in our Civil Department along with moderate use in the Criminal/Traffic Department. We also have a number of pro se filers. Among the upgrades is direct population of data fields within our case management system as well as online payments of civil filings through PayPal. Users can self-register and be filing within a matter of minutes.

We have continued to use **FedEx** Signature Service as the major vehicle for our service and the speed of delivery and percentage of successful deliveries has remained extremely high. **FedEx** continues to maintain a faster and more reliable method to serve court documents to the parties of a case. The savings realized include the near elimination of repeated service attempts and frequently lost parcels. **FedEx** service information is downloaded automatically to the individual case docket within a maximum of 14 days versus an average of 30-45 days with Certified Mail (often beyond the required time allowed by law for service). Visitors to a case file can track, in almost real time, the progress of all **FedEx** deliveries.

The Clerk's Office continues to provide space for a deputy clerk from the Cuyahoga County Probate Court's Marriage License Bureau. One day a month, residents of Cuyahoga County may apply for a marriage license at Rocky River Municipal Court without having to travel to the downtown Probate Court facility. After participating in this pilot program for four years now, we are one of the busiest locations and have found this to be a successful cooperative effort.

Again, I want to thank the staff of the Clerk's Office for their amazing work and exceptional dedication again this year. I would also like to thank Administrative / Presiding Judge Brian F. Hagan and Judge Donna Congeni Fitzsimmons and their staffs for their help and guidance during the year. Grateful appreciation is also extended to Rocky River Mayor Pamela E. Bobst, Rocky River City Council, Law Director Andrew Bemer and all the Jurisdictional Police Officers and Officials of the Rocky River Court District for their excellent assistance.

Respectfully submitted,

Deborah F. Comery  
Clerk of Court

## **2016 COMMUNITY CONTROL DEPARTMENT OVERVIEW**

Rocky River Municipal Court has been part of the Greater Cleveland Drug Court Suburban Expansion Grant for the past 4 years. In 2016, we referred 25 offenders to the program, had 28 graduates and many pending. The Greater Cleveland Drug Court is committed to assist with intervention, treatment and rehabilitation of non-violent drug/alcohol offenders. Also, this year the grant has expanded to utilize medication assisted treatment. A full report on the findings of our drug court participants follows the Community control overview.

The Community Control Department provides a variety of services to the court and the community. The Department provides assistance to offenders and diversion participants by obtaining services including community mental health, substance abuse, counseling and intervention programs. The Community Control Department monitors offenders to reduce crime and protect the public.

The funds come from fees and fines collected as legislated by the Ohio General Assembly. The Rocky River Municipal Court utilizes these funds to assist OVI offenders who are unable to afford substance abuse treatment and alcohol monitoring. In 2016 the Rocky River Municipal Court spent \$30,246.49 for treatment and \$58,756.86 for monitoring.

### **ORAS Risk Assessment**

The Rocky River Municipal Court has been using the Ohio Risk Assessment for 4 years with most cases that include a pre-sentence investigation. The Ohio Risk Assessment has expanded to use the ORAS-MST (a misdemeanor specific screening tool). The Ohio Risk Assessment has been found to be a valid predictor of misdemeanor recidivism. The screening tool helps our judges, magistrates and community control officers use of resources for higher risk offenders versus lower risk offenders. The total number of a total of offenders rated = 1011, there were 390 low risk offenders, 401 moderate risk offenders and 220 high risk offenders.

## **Drug Court Grant Funding & Research Analysis**

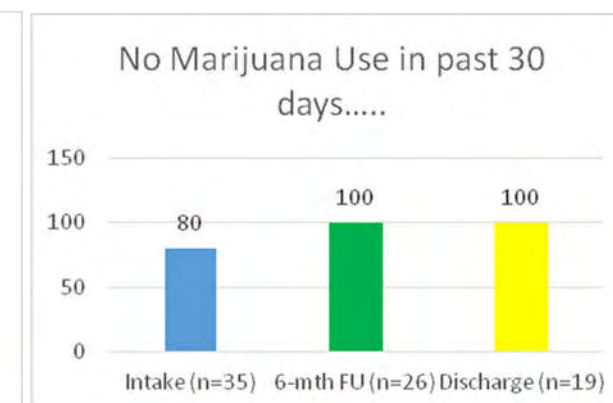

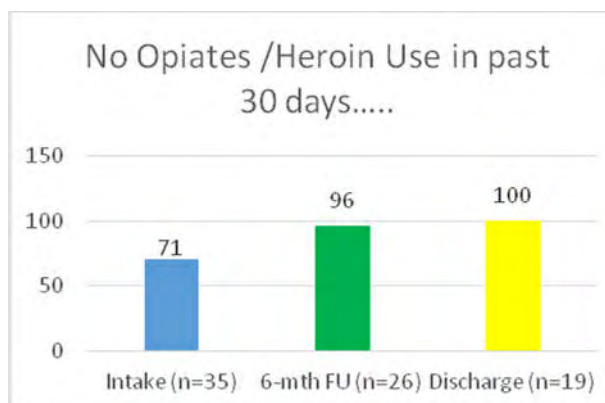

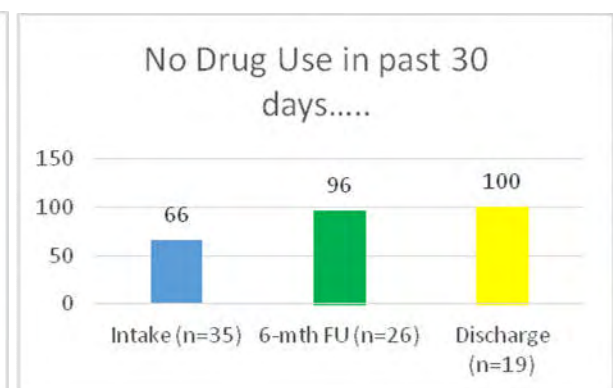

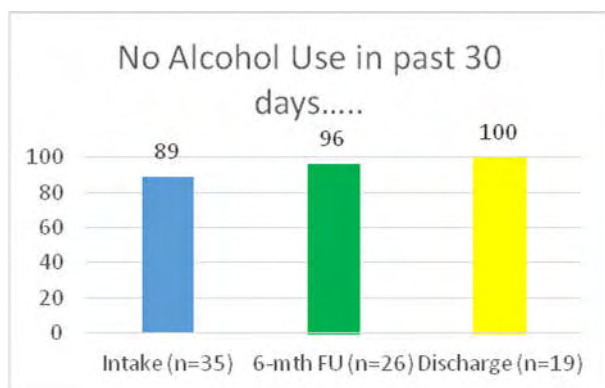

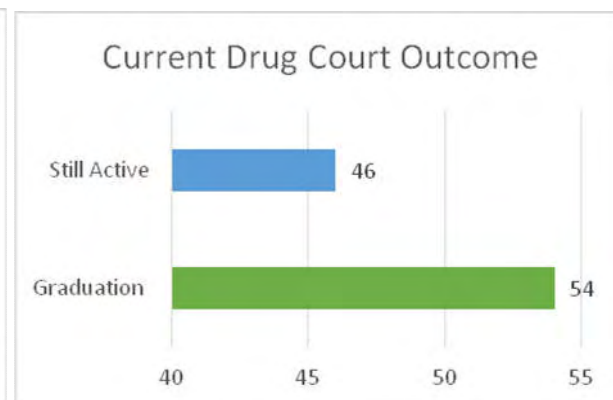

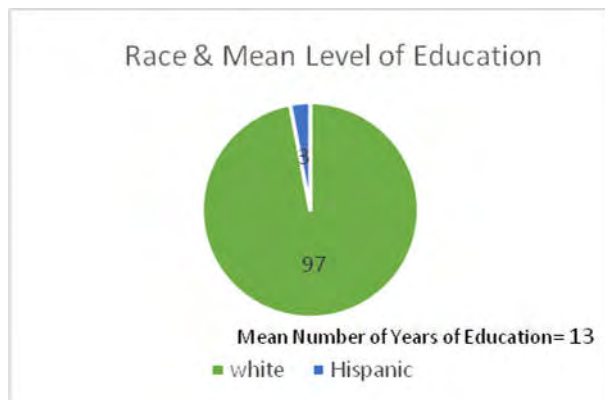

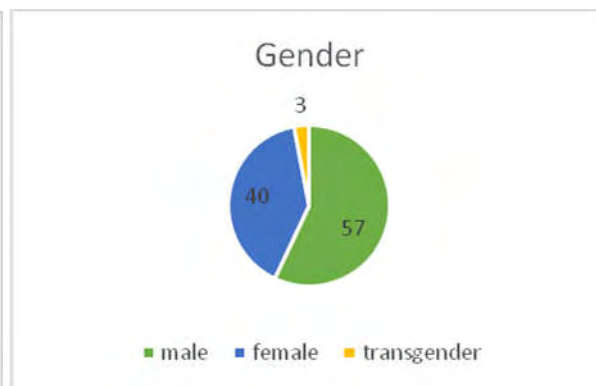

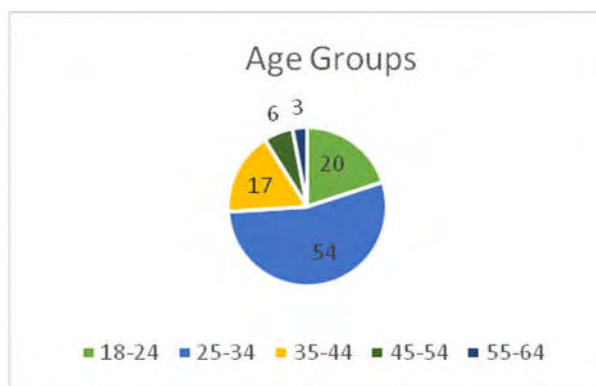

The Greater Cleveland Drug Court received a three-year grant from the Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Use Treatment (CSAT) to offer enhanced services to participants in Drug Court and surrounding municipalities. A key component of drug court services includes ongoing judicial interaction with the judge, whom the clients see every two to four weeks at status hearings. The judge provides supportive comments, guidance, or sanctions depending on the participant's progress and compliance with the program. Participants also receive support and feedback from their probation officer, the drug court coordinator, and other staff who interact with them. Evidence-based practices recommend drug courts use medication assisted treatment (MAT). Naltrexone is an opioid antagonist that treats opioid addiction by blocking the euphoric effects of opioids, which is intended to deter the patient from future opioid use. Naltrexone is administered after detoxification (or at least 7-10 days of abstinence from opioids) to prevent acute withdrawal symptoms. It can be taken daily in a pill or injected (intramuscularly) once monthly (brand name Vivitrol®) and is also available in an extended release implant. Because Vivitrol is injected once monthly and more effectively reduces cravings, it is often considered a desirable option for some patients. The grant funded enhancements expanded treatment services including medication assisted treatment (MAT) and case management services. Case Western Reserve University researcher, Dr. Margaret Baughman, and her research staff serve as the evaluation researchers for this grant and Dr. Baughman provided the analyses for the report. This data reflects only those defendants that were referred to the Greater Cleveland Drug Court and consented to be part of the evaluation research study. Court related services were not denied to a defendant who declined to participate in the study.

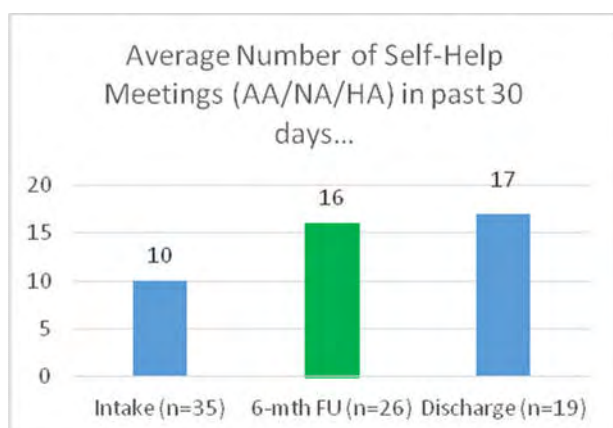

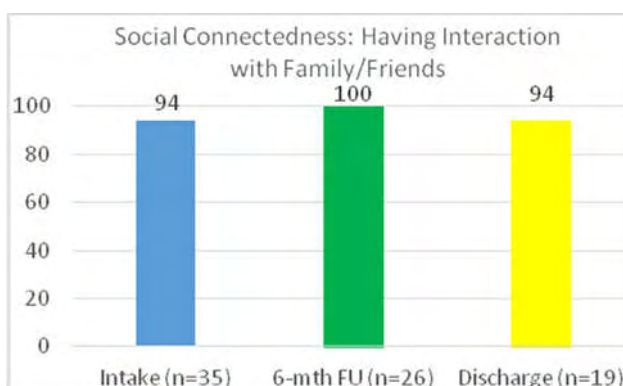

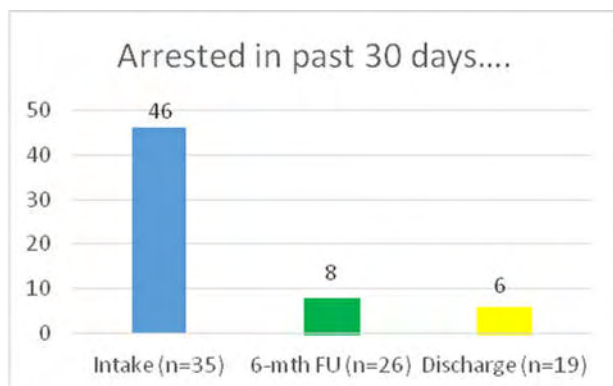

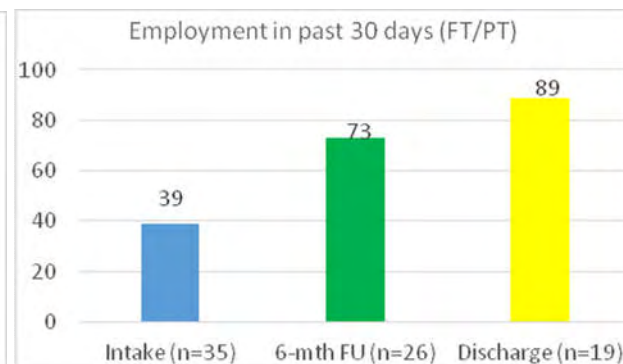

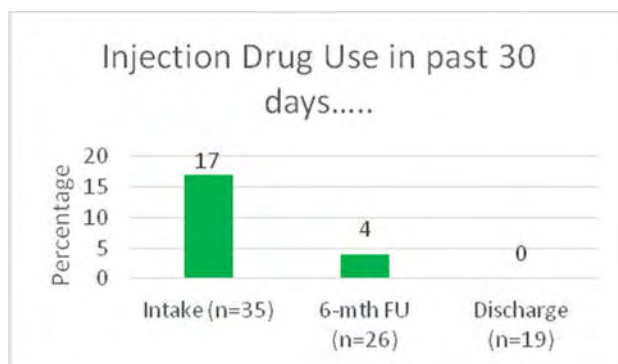

Sample Population:

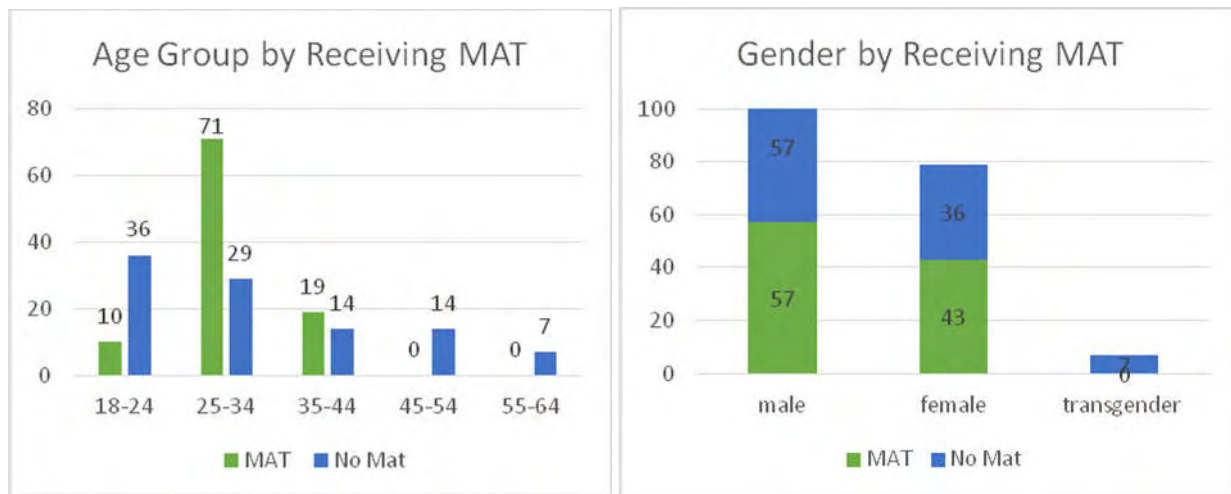

Findings:

The following figures report the data over the three longitudinal data collection points. Statistical significance testing was not possible due to the low sample size. However, the majority of measures moved in a positive direction and those who have been discharged from Drug Court had successfully completed their case. It must be noted that one graduate of the program died (unintentional fatal overdose [opioids]) within a few number of months post-Drug Court programming.

**Medication Assisted Treatment by Demographics:** There was no racial disparity in the use of MAT since the sample was 97% white. Little variance was found by gender as well. However, those aged 25-35 received MAT much more than the other age groupings; the sample size is too small to conduct statistical testing nor conclude a trend by age. As the sample size increases, testing will be conducted to test for differences in MAT usage by demographics and outcome measures such as Drug Court outcome, abstinence, employment, recidivism, housing and being socially connected.
