Dear Ladies and Gentlemen:

As required by R.C. §1901.14(A)(4), the Annual Report for 2020 is hereby submitted by the Rocky River Municipal Court (RRMC). The content of this report is based on data assembled and tabulated by Clerk of Court Deborah F. Comery and the Rocky River Municipal Court Community Control Department. The following data is noteworthy for the year 2020:

1. 2020 will live on in notoriety as the Year of the COVID-19 Coronavirus. This Pandemic has affected everyone and everything and none of it in a good way. Until this year, we have been able to operate without a deficit since 1997. 2020 has, however, ended that amazing streak. I would like to extend the Court's appreciation to all the Cities of our Jurisdiction for the financial support that was required to continue operations.
2. Since 2012, we have had an overall drop in cases of 73% due in part to the creation of the North Olmsted Mayor's Court (NOMC) in 2013, a continuous yearly drop in traffic cases, and then the near shut-down of law enforcement activity due to COVID in 2020.
3. In contrast, however, the cases that are the most labor intensive and time consuming for staff have remained consistent in number. Prior to the start of NOMC, RRMC significantly reduced staff in anticipation of the drop in cases. Since then, we have reduced staff through attrition to what is now a minimum number.
4. To comply with the COVID restrictions of social distancing and mask wearing, the Court distributes masks to anyone coming to the Court who may not have a mask. We have also marked off the six-foot distancing where lines might occur to assist the public. In addition, plexiglass has been installed in all public areas and courtrooms to aid the distancing effort.
5. Technology has been a wonderful assist with continued use of our video arraignment capabilities to connect remotely with any video-equipped law enforcement facility within the State of Ohio and beyond as needed. In addition, the implementation of the popular COVID driven communication device of ZOOM has enabled remote courtroom interaction with attorneys, defendants, prosecutors, law enforcement, witnesses and the judicial officials to maintain an almost uninterrupted court docket.
6. In an effort to assist with the finances this year, the Court has aggressively and successfully obtained \$70,620.41 in Grant funding through the Cares Act to cover a portion of the added expenses brought on by this Pandemic.

7. A practice that began a number of years ago came into play with our need to manage the numbers of people who needed to come to the court each day. We have a system of setting cases for pre-trial in the hopes of settling cases without the need of a trial. This means that police officers need only come to court if they must testify at a trial or an oral hearing. This saves the City's we serve from spending large amounts of overtime pay for their police attendance at court.
8. There were 6,699 cases filed in criminal/traffic consisting of 4,305 traffic, 354 OVI/BAC, 1,565 criminal misdemeanors, 415 felonies and 60 parking violations. Criminal/traffic case filings decreased by 3,223 cases from 2019.

There were 1,963 cases filed in civil and small claims consisting of 1,549 civil, 409 small claims, 5 rent escrow and 0 trusteeship. The total civil case filings decreased by 1,006 cases from 2019.

The court experienced a 33% decrease in criminal / traffic cases and a 34% decrease in civil / small claims cases during 2020. The court has no control over the number of criminal / traffic or civil / small claims cases filed each year.

9. The total amount of court costs disbursed to the City of Rocky River from all sources was \$1,769,336.89. Of these monies, \$1,271,036.98 was designated for the Court's operational revenue. These funds were used against operational Court expenditures of \$1,802,799.84. \$122,614.64 was placed in the Computer Fund to maintain and enhance the Court's computer system, video arraignment equipment, telephone and internet services, and the courtroom audio recording system. \$193,311.09 was placed in the Special Projects Fund to continue to pay down the principal and interest debt of the Courthouse building and maintaining the Court's security camera system and magnetometer. \$174,671.92 was placed in the Court's Probation Services Fund to assist in the overall operations of the Community Control Department including a portion of the salary and benefits of the Department's employees. \$7,702.26 was placed in the Court's Indigent Drivers Alcohol Treatment (IDAT) Fund to help with indigent offenders' court ordered alcohol assessment and treatment.
10. Pursuant to the Ohio Revised Code as created by the Ohio State Legislature, a portion of OVI fine money collected in 2020 and disbursed to the State of Ohio, was returned to this Court and placed in our IDAT and IDIAM Funds. A portion of these monies, as well as the costs noted above, were utilized to monitor and treat indigent drug and alcohol offenders. A total of \$30,683.79 was placed in the IDAT Fund in 2020 to cover a portion of the treatment for indigent offenders. A total of \$28,514.53 was placed in the Court's IDIAM Fund in 2020 to cover a portion of the monitoring of those same indigent offenders.
11. Due to the Pandemic, the Cuyahoga County Probate Court's Marriage License Bureau has stopped their program with RRMC to provide easier access for those individuals who would like to procure a marriage license. After participating in this pilot program for seven plus years now, we hope to have them back as soon as might be permissible.

As always, I want to thank the staff of the Clerk's Office for their amazing work and exceptional dedication again this year. I would also like to thank Administrative/Presiding Judge Brian F. Hagan and Judge Donna Congeni Fitzsimmons and their staffs for their assistance during the year. Grateful appreciation is also extended to Rocky River Mayor Pamela E. Bobst, Rocky River City Council, Rocky River Law Director Andrew Bemer as well as all of the Police Officers and Officials of the Rocky River Municipal Court District for their continued assistance and cooperation.

Respectfully submitted,

Deborah F. Comery
Clerk of Court

ROCKY RIVER MUNICIPAL COURT 2020 COMMUNITY CONTROL DEPARTMENT OVERVIEW

The Rocky River Community Control Department made many changes in how we delivered our services in 2020 due to COVID-19. Our office was closed for face-to-face appointments from March 16, 2020 through June 1, 2020 and then again from November 26, 2020 through the end of the year. During that period of time, we continued a high level of contact and referral to services with offenders. The Community Control Department continued to complete presentence investigations and were available for all court proceedings.

As a result of COVID-19, we applied for and received a grant to support off-site drug screening and scam / house arrest to replace jail commits as Cuyahoga County jail has been closed to most misdemeanor offenders.

The Community Control Department provides a variety of services to the court and the community. The Department provides assistance to offenders and diversion participants by obtaining services including community mental health, substance use disorder, counseling and intervention programs. The Community Control Department monitors offenders to reduce crime and protect the public.

The *Indigent Drivers Alcohol Treatment Fund* and the *Indigent Drivers Interlock and Monitoring Fund* provide treatment and monitoring services for persons arrested while operating a vehicle under the influence. The funds come from fees and fines collected as legislated by the Ohio General Assembly. The Rocky River Municipal Court utilizes these funds to assist OVI offenders who are unable to afford substance abuse treatment and alcohol monitoring. In 2020, the Rocky River Municipal Court spent \$8,825.00 for treatment and \$16,165.72 for monitoring.

ORAS Risk Assessment

The Rocky River Municipal Court has been using the Ohio Risk Assessment for 8 years on pre-sentence investigation cases and defendants placed on probation. The Ohio Risk Assessment has expanded to use the ORAS-MST (a misdemeanor specific screening tool). The Ohio Risk Assessment has been found to be a valid predictor of misdemeanor recidivism. The screening tool helps our judges, magistrates and community control officers use of resources for higher risk offenders versus lower risk offenders. Of the 443 total offenders rated, 220 were low risk offenders, 162 were moderate risk and 61 were high risk offenders.

Pre-sentence Investigation Cases / Pre-Trial cases opened in 2020

In 2020, 270 pre-sentence investigations were completed. These investigations include offender history, risk assessment, criminal history, and substance abuse information which is necessary for sentencing. Community Control officers are involved in pre-trial cases. In 2020, we had 136

Drug Screening

Due to the pandemic, Rocky River Municipal Court had to change to process for drug screening from on-site to off-site. We applied for and received a grant to provide screening to those who could not afford it.

JAIL REDUCTION PROGRAM

The Jail Reduction Program was established to reduce jail crowding and link offenders that have substance abuse problems with treatment. However, Cuyahoga County jail was closed for misdemeanor offenses for periods in 2020 due to COVID-19, which resulted in fewer referrals.
