Dear Ladies and Gentlemen:

As required by R.C. §1901.14(A)(4), the Annual Report for 2023 is hereby submitted by the Rocky River Municipal Court (RRMC). The content of this report is based on data assembled and tabulated by Clerk of Court Deborah F. Comery and the Rocky River Municipal Court Community Control Department. The following data is noteworthy for the year 2023:

1. New to the Report this year are comparison graphs showing the changes in the number of cases filed in both the Traffic violations (OVI's, Traffic and Parking) as well as the Criminal complaints (Misdemeanors and Felonies). These begin with overall graphs of both classifications and then on to each individual city as we progress through the Report showing 2023's filed offenses.
2. There were 7,275 cases filed in criminal/traffic consisting of 4,740 traffic, 375 OVI/BAC, 1,559 criminal misdemeanors, 546 felonies and 55 parking violations. Criminal/traffic case filings decreased this year by 149 cases. There were 2,367 cases filed in civil and small claims consisting of 1,677 civil, 686 small claims, 4 rent escrows and 0 trusteeships. The total civil case filings increased by 95 cases from 2022. The court has no control over the number of criminal / traffic or civil / small claims cases filed each year.
3. Our financial status remains in a deficit situation. We have reviewed our court costs and 2024 will bring an increase to various functions of the court.
4. I would again like to extend the Court's appreciation to all the Cities of our Jurisdiction for their financial support and especially to the City of Rocky River who has had to carry the majority of the assistance for the Court to maintain operations. We will continue to make every effort to keep expenditures to a minimum.
5. The decision has been made to upgrade the Court's computer system in 2024. 2023 saw the Community Control Department upgrading their system to Stepmobile, a state-wide system that will allow the sharing of information between all participating Court Probation Departments. The 2024 upgrade for the remainder of the Court staff should keep us well grounded for another 25+ years.

As always, I want to thank the staff of the Clerk's Office for their amazing work and exceptional dedication again this year. I would also like to thank Administrative/Presiding Judge Donna Congeni Fitzsimmons, Judge Brian F. Hagan, and their staffs for their continued assistance during the year. Grateful appreciation is also extended to Rocky River Mayor Pamela E. Bobst, Rocky River City Council, Rocky River Law Director Michael O'Shea as well as all of the Police Officers and Officials of the Rocky River Municipal Court District for their continued assistance and cooperation.

Respectfully submitted,

Deborah F. Comery
Clerk of Court

The *Indigent Drivers Alcohol Treatment Fund* and the *Indigent Drivers Interlock and Monitoring Fund* provide treatment and monitoring services for persons arrested while operating a vehicle while under the influence. The funds come from fees and fines collected as legislated by the Ohio General Assembly. The Rocky River Municipal Court utilizes these funds to assist OVI offenders who are unable to afford substance abuse treatment and alcohol monitoring. In 2023, the Rocky River Municipal Court spent \$20,872.22 for treatment and \$43,823 for monitoring.

ORAS Risk Assessment

The Rocky River Municipal Court has been using the Ohio Risk Assessment on pre-sentence investigation cases and defendants placed on probation. The Ohio Risk Assessment has expanded to use the ORAS-MST (a misdemeanor specific screening tool). The Ohio Risk Assessment has been found to be a valid predictor of misdemeanor recidivism. The screening tool helps our judges, magistrates and community control officers use resources for higher risk offenders versus lower risk offenders. **Of the 682 total offenders rated, 214 were low risk offenders, 268 were moderate risk offenders, and 200 were high risk offenders.**

Pre-sentence Investigation Cases / Pre-Trial cases opened in 2023

In 2023, 327 pre-sentence investigations were completed. These investigations include offender history, risk assessment, criminal history, and substance abuse information, which is necessary for sentencing. Community Control officers are involved in pre-trial cases. In 2023, we had 114 active pre-trial cases. Many of these cases involved monitoring treatment for substance abuse and mental health, house arrest, GPS, SCRAM (secure remote alcohol monitoring) and ignition interlock.

Competency to Stand Trial

The Rocky River Municipal Court is impacted by the increasing numbers of offenders with mental health issues where competency to stand trial has been questioned. This year we had 2 competency cases.

2 competencies to stand trial requests: outcome: competent
outcome: incompetent to stand trial / restored

MENTAL HEALTH LIAISON PROJECT/BYRNE GRANT

The Mental Health Liaison Project/Byrne Grant has been renewed after a positive history of support since 2002. The primary goal is to decrease the number of mentally ill persons processed through the judicial system by linking them to the appropriate services. This year we had 13 evaluations completed with follow up recommendations.

Substance Use / Mental Health Treatment Referrals:

In 2023, our Community Control Department continued to make referrals to mental health and substance use disorder treatment. To increase the success of offenders, we utilized medication assisted treatment, inpatient and outpatient treatment, sober living and mental health treatment.
